THE REVEREND JOHN J. KELLEY,
FIRST PASTOR OF SACRED HEART CHURCH

THE REVEREND FRANCIS J. SUGRUE,
PRESENT PASTOR OF SACRED HEART CHURCH

THE REVEREND JOSEPH A. LAPENTA

Father Lapenta was the first priest of Italian extraction assigned to Sacred Heart Church. Upon the transfer of Father Kelley to Hartford, Father Sima was also transferred. Father Lapenta replaced Father Sima in June, 1945.

THE REVEREND GENARO J. TESTA

Father Testa was the second priest of Italian extraction assigned to Sacred Heart Church. With the increasing activity of the parish, Father Sugrue requested an extra assistant, and Father Testa came to Sacred Heart in June, 1947.

THE REVEREND FRANCIS A. CAMPAGNONE

After an interval of four months, after Father St. Martin's transfer to St. Sebastian's Church, Middletown, Father Campagnone, the third priest of Italian extraction to come to Sacred Heart as an assistant, took up his duties here in June, 1948.

THE REVEREND PATRICK W. FLYNN,

FIRST ASSISTANT ASSIGNED TO SACRED HEART CHURCH

Shortly after the founding of Sacred Heart Parish, Father Kelley saw that the needs of the community required a helper in his pastoral work. Father Flynn, the first assistant pastor assigned to Sacred Heart Church, took up his duties here June 19, 1924, where he remained until April 30, 1936.

The REVEREND PAUL SABULIS and the REVEREND ANTHONY SIMA also served as assistants to Father Kelley during his pastorate at Sacred Heart. Father Sabulis, being fluent in the Lithuanian language, was assigned to work among the Catholics of Lithuanian extraction in Hartford and vicinity. Father Sima was transferred to the Church of the Blessed Sacrament, in Waterbury, on the same day that Father Kelley left Stamford to become pastor of St. Lawrence's Parish in Hartford.

SOLDIERS OF JESUS CHRIST

THE MOST REVEREND HENRY J. O'BRIEN, D.D., ADDRESSING THE CLASS HE HAS JUST CONFIRMED AND COMPLIMENTING THE RELIGIOUS TEACHERS FILIPPINI FOR THE SPLENDID MANNER IN WHICH THEY HAD PREPARED THE CLASS.

The Story of Sacred Heart Parish

The Catholic Church is the group of persons, throughout the world, who profess the same faith of Christ, partake of the same Sacraments, and are governed by their lawful pastors, under one visible head.

Thus the Catholic Church is not a building, or a group of buildings. Nor is it merely the people of a certain locality; nor a people believing and practicing a few of the truths revealed by God.

The vast, worldwide field of the Catholic Church calls for assistants to the chief Shepherd, throughout the world. Thus the Holy Father, the Chief Shepherd, divides his cares into dioceses, governed by bishops, who, in turn, divide their cares into parishes, administered by pastors and their assistants.

As a portion of this great organic whole, Sacred Heart Parish came into being by reason of the historic and authoritative document which follows:

CHANCERY
134 Farmington Avenue
Hartford, Connecticut

February 9, 1923.

Dear Father Kelley:

You are hereby appointed pastor of the Church of the Sacred Heart for the Italian people of Stamford. Please take charge immediately and secure a residence and a place of worship as soon as possible.

Praying God to bless your priestly ministrations, I am

Yours sincerely,

✠ JOHN J. NILAN,
Bishop of Hartford.

The Reverend John J. Kelley
279 Atlantic Street,
Stamford, Conn.

Father Kelley lost no time in carrying out the commands of his bishop. From the temporary arrangement of a special Mass for the Italian people, at St. John's Church, to the erection of the church and rectory, on the present site, with a complete parish organization in constant operation, was Father Kelley's accomplishment, in little more than a year's time.

THE HAPPIEST DAY OF THEIR LIVES
FIRST HOLY COMMUNION

During his pastorate of twenty-three years, Father Kelley was ably aided by a series of zealous assistants. Father Patrick W. Flynn, shortly after his ordination, was assigned as Father Kelley's first assistant June 19, 1924, and here he remained until his appointment to the pastorate of Our Lady of Mt. Carmel Church in Waterbury April 30, 1936. During these twelve years Father Flynn did magnificent spiritual work. The most eloquent testimony to that fact is the splendid group of parish workers now eagerly promoting the best interests of the parish. They readily assert that they derived their inspiration from the zeal of Father Flynn.

To replace Father Flynn, the bishop assigned the Reverend Daniel Golden as assistant to Father Kelley. Here Father Golden labored for souls from 1936 to 1942, when he volunteered for service in the Army Chaplains' Corps. After four years of service on active fronts, Father Golden returned to the United States, and was assigned again as Father Kelley's assistant, but this time at St. Lawrence's in Hartford.

Meanwhile, it had become evident that the work at Sacred Heart justified another assistant. The Reverend Norman St. Martin was assigned to Sacred Heart September 6, 1938. Here he labored zealously with Father Golden until the latter's departure for military service. Father St. Martin remained at Sacred Heart until his transfer to St. Sebastian's Church, Middletown, in 1948. During his ten years at Sacred Heart, Father St. Martin was zealously and actively engaged in all phases of parish work, but his favored work was that among the youth, to whom he endeared himself in ten years of unselfish work.

The other assistants who aided Father Kelley remained here for much shorter periods than Father Flynn, Father Golden, and Father St. Martin, as their assignments were rather of a temporary nature. The Reverend William Mahoney served here but a year. However, in that brief time, he deeply endeared himself to all the parishioners. From here he was transferred to St. Joseph's Church, New Britain, from where he, like Father Golden, heard the call of his country and served for nearly three years in the Army Chaplains' Corps on many active fronts.

The Reverend Paul Sabulis and the Reverend Anthony Sima also served as assistants to Father Kelley for a brief period. They too, endeared themselves to the parishioners in their brief stay. Father Sabulis was needed in a Lithuanian parish and so he was transferred to Hartford. Father Sima, being of Slavish extraction, was assigned here only temporarily until a need should arise for his services in a Slavish language parish.

On June 6, 1945, Bishop O'Brien announced the appointment of Father Kelley as pastor of St. Lawrence Church, one of the oldest parishes in Hart-

ford. At the same time, the Reverend Francis J. Sugrue, pastor of St. Roch's Church, Greenwich, was appointed pastor of Sacred Heart.

On the same day that Father Sugrue reported at Sacred Heart, the Reverend Joseph Lapenta also reported to Father Sugrue. Father Lapenta was the first priest of Italian extraction to be appointed to Sacred Heart. Priests of Irish, French, Slavish, and Lithuanian extraction had served at Sacred Heart. Like true Catholics, the warm and friendly Italian people welcomed them all to their hearts as their own.

Meanwhile, in other parts of the diocese, boys of Italian extraction were hearing the Master's call in greater numbers. Hitherto, there had been few priestly vocations among them. Father Sugrue saw the need of an additional assistant, and recommended the appointment of another young priest of Italian blood. And so Bishop O'Brien sent the Reverend Genaro Testa to Sacred Heart in June, 1947.

The idea of having Father Lapenta and Father Testa assigned here was so productive of good works that Father Sugrue mentioned it several times to Bishop O'Brien. When Bishop O'Brien transferred Father St. Martin to St. Sebastian's after his lengthy and successful curacy at Sacred Heart, he chose to send to Sacred Heart the third young priest of Italian extraction, the Reverend Francis A. Campagnone, in June, 1948.

It has been a great satisfaction to Father Sugrue, and a vindication of the bishop's judgment, that these three splendid young priests are doing magnificent work and, at the same time, deeply endearing themselves to the lovable people whose blood and traditions they share.

Before Father Kelley left Sacred Heart he had had the satisfaction of burning the mortgage. He had bought a house for a convent and was planning considerable repair and renovation of the rectory and church. This work was undertaken by Father Sugrue in 1947. Under his direction the church and rectory were completely repaired and partly remodeled. It was the expressed desire of many of the active parishioners that efforts be concentrated upon raising a fund for the erection of a parish school. Between savings effected in the operation of the parish and funds raised through increased offerings and special affairs, a fund of \$60,000 has been accumulated in the brief space of less than four years.

Thus the years of silver end in a silver note of joyous accomplishment and benediction, as life's door opens hopefully upon those years whose completion will be golden. All your priests, who labor for the supernatural love of your souls, thank you for what you have done and bless you for what you will achieve. May God be ever with you. *Father Sugrue*

Father Kelley, the first pastor of Sacred Heart, was, at the time of the Silver Jubilee Mass, on an extensive tour, and was unable to be present. Pictured here are Father Flynn, celebrant, Father Golden, deacon, and Father St. Martin, sub-deacon, with Fathers Sugrue, Coleman, and McNeerney in the sanctuary.

Alla Famiglia Italiana Veramente Cattolica

Il paese dove tutto il mondo vuol essere cittadino e gli Stati Uniti dell' America. Molti anni fa, i nostri padri e le nostre madri vennero a questa terra benedetta, riconoscendo la terra d' opportunità e di libertà. Essi vennero a ricevere, ma anche a contribuire.

I nostri padri e le nostre madri hanno contribuito alla vita dell' America qualcheda di quale c' è grandissima bisogna: la stabilità della famiglia.

Il pensiero della casa paterna:—come è un pensiero bellissimo! E come ispira tanto molti altri pensieri utili e spirituali! E come è bellissima, quando la casa paterna è tutta che deve essere:—quando il Cristo la dimora! Ma come è lamentabile e piena di dolore, quando la casa paterna manca qualche cosa che deve ci stare!

Sgraziatamente, le case dell' America, in grande numero, mancano qualche cosa che dev essere in ogni casa paterna: la grazia di Dio, la Presenza del Cristo, e lo spirito della Santa Famiglia di Gesù, Maria, e Giuseppe, alla Casa Santa a Nazaret.

Nella casa italiana cattolica, il marito, e padre, e il re; la moglie, e madre, e la regina, perché queste due persone, veramente regali, sono unite nell' unione che la cerimonia del Sacramento di Matrimonio fa simile all' unione mistica del Cristo colla chiesa.

E così, il marito, e padre, e simile al Cristo, il Capo della Chiesa, nell' amore di Dio, ed in autorità. E la moglie, e madre, e simile alla Chiesa Cattolica,—santa, religiosa, amabile, e fertile nella grazia di Dio.

In questa casa veramente cattolica, l' unione matrimoniale è santa e permanente fino alla morte; ed i bambini sono sempre benvenuti, come doni preziosi dal Padre Celeste, essere ricevuti, amati, e diritti nei piedi dei santi, affinché il Padre Celeste gli richiama, alla casa celeste eterna. Questa casa è conservata nel modello della Santa Famiglia di Gesù, Maria, e Giuseppe, nella Casa Santa a Nazaret!

Ai padri ed alle madri italiane cattoliche, i nostri ringraziamenti profondissimi! Sia sopra tutti voi, oggi e sempre, la Benedizione del nostro Padre Celeste. A tutti auguri!

The Silver Jubilee Fund

It was the desire of Father Sugrue to make the celebration of the Silver Jubilee predominantly historical and spiritual. Thus activities were avoided that might seem to cheapen a sacred and sensitive occasion. Thus it was that the annual parish carnival was not held during 1948.

Father Sugrue wished to make a personal donation to the church in honor of the occasion, and he felt that many other parishioners and friends of the parish would like to do the same. It was a fortunate decision, as hundreds generously expressed their sentiments in the same manner. The result was the substantial fund represented by the accompanying donors' list. This money has been added to the Building Fund, to be held intact, until a sufficient amount is accumulated for the beginning of work on a parish school.
